

Sample Ghost Audit Report

Demo SaaS Co - Revenue Linter proof asset

Revenue Pulse Score: 62/100

Estimated direct exposure: \$240 MRR

Findings: 3 Free Riders, 1 Zombie Subscriber, webhook gaps, evidence gap

Missing lifecycle coverage: invoice.payment_failed and customer.subscription.deleted

No processed_event_ids table found for duplicate Stripe events

Recommended next steps:

1. Patch failed-payment access checks.
2. Add customer.subscription.deleted handling.
3. Add processed_event_ids idempotency storage.
4. Add Grace Period Ends and Dunning Status fields.
5. Create evidence records for high-MRR accounts.
6. Re-run Revenue Pulse in 48 hours.
